

CSC 501 HOMEWORK 1
FALL 2015

PROFESSOR GODFREY MUGANDA
DEPARTMENT OF COMPUTER SCIENCE

Write programs for the following programming challenges at the end of Chapter 2 in the class text:

- (1) Programming Challenge 4: Star Pattern
- (2) Programming Challenge 8: Cookie Calories
- (3) Programming Challenge 10: Test Average
- (4) Programming Challenge 13: Restaurant Bill

You should have these done by Tuesday. However, do not submit them until we have discussed how to submit programs for grading on Tuesday. These are due Wednesday of Week 2.
